

Breast Feeding, How To Succeed: Questions And Answers For Mothers

Partners
from *The Womanly Art of Breastfeeding*, 8th Edition

*Other than Mother: a husband, wife, boyfriend, girlfriend, significant other;
a grandmother, other relative, or close friend...*
a partner is a cornerstone of a tribe.

You are The Safe Person Who Is Not Mama.
Nursing and Mama are the center of your baby's world right now,
but his world keeps getting bigger,
and you are the first person he adds.

You are Different.
Your shape, voice, hands, and smell are different.
You hold your baby differently.
You teach her that different can be good.
When your baby is frazzled, you may just be the
difference that she needs.
